

Faculty Feedback, Analysis and Action Taken Reports during the year 2016-17

On the basis of feedback, taken from the faculty and reviewed at Department level, a report is hereby submitted to the worthy Director for giving his comments on action taken report.

Feedback	Analysis of feedback	Action taken on feedback	University response
<p>1. Majority of the faculty was found satisfied based on their feedback (Performa Enclosed). However, the department of Computer Science and Engineering showed the focus on the syllabus which should fulfill the demand of the Industry. The same opinion was given by the department of Mechanical and Civil Engineering.</p> <p>2. There was a concern showed by the Civil Engineering Department about the more involvement of students and faculty in other activities than teaching and which reflect on study.</p>	<p>The feedback was reviewed at the Institute level and it was decided to reformulate the necessary contents in different subject coinciding the need of Industry.</p> <p>The matter was discussed in the Dean-Director meeting and it was realized that few faculty members are very active in departments, the Head most oftenly allocate duties to them. Therefore, it was decided to compensate w.r.t their work load at par with the other faculty.</p>	<p>The contents prepared by the concerned department was sent to IKG PTU, Jalandhar for its inclusion in the syllabus after a thorough discussion in the Board of Studies meeting at the University Level.</p> <p>The Director was requested to do the same and issue instructions to the Head of Department while allocating load to such faculty who were associated with extra co-curricular activities.</p>	<p>The comments were conveyed to the Registrar for his kind consideration in Board of Studies meeting.</p>
