On the basis of feedback, taken from the faculty and reviewed at Department level, a report is hereby submitted to the worthy Director for giving his comments on action taken report.

Feedback	Analysis of feedback	Action taken on feedback	University response
<p>The feedback clearly advocates the satisfaction of faculty with the working environment at Institution. However, few points were raised w.r.t</p> <p>a. Flexibility for Industrial visit (ME Department)</p> <p>b. Use of talent (Civil Engineering Department)</p> <p>c. Time requirement for teaching (CSE Department)</p>	<p>The feedback received from the faculty was discussed in the Dean-Directors meeting. The points raised related to flexibility clearly indicate the responsibility of a person either from T&P Cell for making contact with the Industry. The visit to the Industry should have advanced infrastructure and technology so that student may learn the new things based on seeing is believing should be preferred. The Civil Engineering feedback related to time slot given to the teacher for covering the entire syllabus. Likewise, the allotment of course should be based on the acceptance of the teacher to a particular subject. (Civil Engineering Department)</p>	<p>a. It was decided in the meeting that the T&P Department shall take the responsibility for arranging the type of Industry so that student may learn about the new development in Industry.</p> <p>b. It is already in process to allocate the subject to faculty based on their choice, experience and talent. However, it will again be asked to the HOD for following the instructions strictly.</p> <p>c. So far sufficient time is required to cover the syllabus. It was considered that in case of holiday or in off hours, the teacher may take classes to cover the syllabus effectively.</p>	<p>NA</p>
