

Faculty Feedback, Analysis and Action Taken Reports during the year 2019-20

23/4/20

On the basis of feedback, taken from the students and reviewed at Department level, a report is hereby submitted to the worthy Campus Director for giving his comments on action taken report.

Feedback	Analysis of feedback	Action taken on feedback	University response
<p>It was noticed that majority of the faculty was found highly satisfied and conveyed their good feedback. However, the scope of improvement always exists. Following points were identified for follow up action</p> <ol style="list-style-type: none"> 1. Interaction in the Department 2. Accessing of the resources (CSE & MECHANICAL DEPT) 	<p>The feedback was analyzed and it was realized that in each department, the interaction among faculty must be arranged, which will certainly prove useful for the faculty and student.</p> <p>The feedback w.r.t accessing of library resources need to be reviewed. The new journals of Engineering must be subscribed and new books also need to be purchased.</p>	<p>The Director has taken decisions based on the feedback by organizing a departmental seminar once in a week. So that group discussion during seminars will add in to the knowledge of Resource persons. It was discussed in the IQAC meeting that new books required by different departments of Engineering and funds required for their purchase was submitted for their approval of Budget from Board of Directors.</p>	NA
