

Student Feedback, Analysis and Action Taken Reports on curriculum during the Year 2016-17

25/5/17

On the basis of feedback, taken from the students and reviewed at Department level, a report is hereby submitted to the worthy director for giving his comments on action taken report.

Feedback	Analysis of feedback	Action taken on feedback	University response
<p>Since the Engineering course is of prime importance and meritorious student have taken the admission in it in different Engineering courses. The feedback given by the student varying from very good to excellent except a few, where a good status has been mentioned. The major feedback which invite attention are as under:</p> <ol style="list-style-type: none"> 1. Adequacy of course content (ME and Civil) 2. Dept efforts to upscale professional skill in addition to adequacy of course content. 	<p>The Director called a meeting of ALL HOD and made the analysis of feedback at the outset. He appreciated the efforts of Dept on account of good feedback. However, the feedback which used to be considered seriously was also discussed. The student of Dept of CSE also requested that effort should be made at Dept level, to upgrade of knowledge of student about the advances in Engineering by arranging special lecture.</p>	<p>It was decided that each head of department will make the assessment w.r.t to the course content because the new technologies are being developed and student come across with these throughout the IT. As a result, their expectation from us also increases. Moreover, the students are of view that innovation and new knowledge help the student get the better placement package. Therefore, all the heads are requested to include the new chapters.</p>	<p>The contents of the different subjects, which were reframed by the faculty of each dept were submitted for their review in the board of study meeting of PTU.</p>
