Student Feedback, Analysis, and Action Taken Reports on curriculum during the year 2017-18

2/5/2018

On the basis of feedback, taken from the students and reviewed at Department level, a report is hereby submitted to the worthy Director and he has given his comments on action taken report.

Feedback	Analysis of feedback	Action taken on feedback	University response
1. The students of Civil Engineering department showed satisfaction about the teaching and syllabus related to their discipline. However, one subject, "Fluid Mechanics-1" did not add to their knowledge and need either the charge of faculty or teacher is changed or some expert lectures are arranged.	The feedback was reviewed and the high ups considered the importance of feedback and showed concern about it.	The Director suggested the Head, Department of Civil Engineering to arrange at least two guest lectures covering the contents of Fluid Mechanics-1 up to the satisfaction of the student.	NA
2. The students of department of CSE showed their concern about the timely coverage of syllabus of the subject, "Simulation & Modeling theory Lab". Moreover, the syllabus should be covered in time & space.	The feedback was considered and action was initiated to overcome this limitation.	The Director conveyed the feedback to the concerned Head and impressed upon him to ensue the timely coverage of the syllabus so that syllabus for MST-1 and MST-2 is timely covered and taught to the student.	NA

<p>3. The students of Mechanical Engineering showed their satisfaction and gave feedback varying from very good to excellent. The students raised a concern about the subject, "Fluid Mechanics" which did not add to their knowledge up to their satisfaction.</p>	<p>The feedback analysis supported the concern and tries to satisfy the student.</p>	<p>The Director passed on the Instruction to the head of the department to take interest and arrange quizzes, invited lecture so that the student may realize about the gaining of knowledge about fluid mechanics.</p>	<p>NA</p>
